Foreword

In this work we have attempted to compile a family tree of a truly great and illustrious family. The elder members, especially, have been outstanding in their diligence and industry, and in their ability to succeed despite many handicaps, and oft-times under very distressing circumstances. This fact is definitely shown by the vast number of respectable and progressive citizens in the family of today. In their times they enjoyed timely social intercourse and the old family album was frequently consulted. In our present times, when the members of this family have greatly increased, when distance often separates them rather far, and many new diversions tend to substitute for the old social visits, I fear that there has been a consistent drifting apart from the old family ties and traditions. To offset this tendency, let us strive to compensate by making the annual family reunion as successful as possible, even if it employs a little effort on our part.

In the task of securing material, I wish to express my gratitude to all who have contributed. After requesting considerable data and getting some of each in the various reports, but meager in the aggregate, I finally decided on the present form of giving: the name, the birthday, deaths if present, and an answer to "what each one does" and "where he lives." The spouse who chose to mix their blood with that of the Ochs are given equal rank. The omissions from this form were absent on those family reports and I've tried to assume their wishes in this respect. I am not so optimistic as to believe that there are no discrepancies and error, but offer this as a pioneer effort for your consideration and when later it becomes feasible to revise and bring this up to date, it may be possible to make it in the nature of a school annual and in a higher state of perfection. That this effort will prove favorable in promoting friendship and perhaps an inspiration in time of adversity is the hope of the author.

Foreword to the Second Edition

Fourteen years have elapsed since the compiling of our family tree. Many new members have been added and many of our dear ones have passed into the great beyond. Many changes have also taken place, some better, some worse, which we must take in our stride, for time and life march on, and there is not very much we can do to change this trend.

It is said that blood is thicker than water, and in a similar sense blood relationship is the more potent factor for promoting a common bond of friendship than any other, such as: religion, community neighborliness, school alumnus, trade or profession, and fraternal or political affiliations. With this possibility in mind we are dedicated to the proposition that this family project should be kept alive for the mutual benefit of all its members. We feel that all future generations will possess an inherent interest in their ancestry and its bearing on their lives. In another sense we feel that there ought to be a satisfaction in the feeling that a person "belongs" to an association whose members as a whole are decent and reputable citizens, and who all trace their origin to a common family. Owing to the fact that many of the younger folk are becoming scattered throughout the various states, this family tree is about the only way to keep them informed about their more distant relatives. Besides in traveling to strange localities it can be very advantageous to consult with a distant relative for making business or social contacts, etc. Practically all Christian religions believe in the "Communion of Saints." In line with this thought, the Ochs family at their reunions have offered prayer and money for Masses to Almighty God for all the living and dead members, from the first to the last yet to be born. It can be a consoling thought to know that a person will be remembered long after all his contemporary kin have died.

Since the founders of this family were Catholic and the family is still predominantly Catholic, the author wishes to assure those not of this faith that while the contents of this work may suggest a Catholic complexion, no slur is intended on anyone's convictions or feelings. We hope that these will share an equal sense of "belonging" to the Ochs family.

We wish to thank all who have helped by their contributions and cooperation in bringing this work up to date. We fear that by the time for the next revision we will not be in a position to take an active part, but we are confident that some younger folks will be glad to carry on. I suggest that for a time or two it would be possible to add a supplement without a complete revision.

Family of John and Mary Ann Ochs

John Ochs, the progenitor of our family tree, was born in Bavaria, Germany in 1815. With his father, Valentine Ochs, and when he was twelve years of age, he immigrated to Stark County, Ohio. There John grew to manhood and when he had arrived at the years of maturity, wedded Mary Ann Weiler, his countrywoman. Mrs. Ochs had come from Germany with her father, Mathias Weiler during her early girlhood. After their marriage, they lived in the Buckeye state for several years, and in 1844 they moved westward settling in German Township, Richland County, Illinois. Here they made their permanent home, starting out with a purchase of 80 acres and with timely additions, this tract was increased to 500 acres. Mrs. Ochs died on May 25, 1879 and Mr. Ochs died September 4, 1887. Their children and spouses follow. Family Histories on separate pages.

Simon Schneider Family

Elizabeth (Ochs) (b) 9-19-1857, (d) 2-20-1923.
married 5-19-1876, 14 children.

Simon Schneider (b) 2-18-1851, (d) 11-18-1928.

Mrs. Schneider, as was customary in her time, was desirous of having a large family and was undaunted by the loss of seven of her brood in infancy. This fact is appreciated by the editor of this book and his younger brother. Her husband was a man of more than average intelligence, as was evidenced in his promotion of a Mutual Fire Insurance Co., drainage work and various public activities. His services were in much demand in his neighborhood for adjusting farm machinery and veterinary problems. However he was never able to capitalize financially as his talents would justify, and remained in debt until his later years. They both were stalwart workers in St. Joseph's Church of Stringtown, Ill.

The Ochs Reunion

P R E A M B L E

For the Greater Honor and Glory of God, our Country, and our families, we associate ourselves together for the following purposes: To pay our homage and respect to all forbears, who by their example, industry and labors, have left us a noble heritage; — To foster and perpetuate to future generations, the same ideals and traditions which have guided this family throughout their lives; — To preserve and renew our pleasant memories of social companionship; — To consecrate and sanctify our association by our devotion to mutual helpfulness.

Historical Sketch

During the summer of 1937, when family reunions were Vogue, three people met in conversation, and among the subjects talked about was the possibility of having a family reunion of the Ochs Family. These people were Ann Bohlander, Emma Brookfield and Henry Schneider. Their conclusions were correct and the Ochs Family became a reality. On August 29 of the same year the first meeting was held in Peterson's Park of Newton, Ill. The crowd assembled at 11:00 A. M. and enjoyed a basket dinner at noon. About 2:00 P. M. a business meeting was held and it was decided to organize on a permanent basis. Albert J. Ochs was elected president and Catherine Rubsam, secretary. It was also decided that one representing each of the families of the Senior John Ochs children would furnish data to Dr. A. D. Schneider for compiling a family tree. This proved to be the largest meeting thus far as 240 members were present.

The next meeting was scheduled in August, 1938, at Peterson's Park, but the day was spoiled by bad weather and only a few members came, and it was decided to retain the same officers for the succeeding year. Following this rained out meeting, it was talked over with the Rev. Fr. Spors and Anthony Ochs, who deplored the bad luck with the weather, and urged that St. Joseph's Hall at Stringtown be used where a meeting could be held rain or shine. At the 1939 meeting it was decided to hold the next meeting at St. Joseph's Hall.

The 1939 meeting was blessed with good weather and was a fairly successful one. There were 204 members present. Officers elected were Frank Ochs, president and Catherine Rubsam, secretary. This meeting was held in Peterson's Park, in Newton, Ill., on August 29, 1930.

The 1940 meeting was held at St. Joseph's Hall on August 18 at Stringtown, Ill. This being the first indoor meeting made it possible to have the meeting assume a more cultural aspect. Short talks were made by the Rev. Fr. Spors and Dr. Schneider. Music was furnished by the Zwilling brothers, Prof. F. J. Schneider and Mrs. Rosa Reis. It was decided to have next year's meeting at the same place. The same officers were re-elected.

The 1941 meeting was held August 24, 1941 at Stringtown with a good crowd present. A program of songs and talks were included with the business meeting. There was a dramatic reading by Catherine Elizabeth Rubsam. It was thought proper that the young folks should take a more active part and the new officers elected, appointed committees to help them further this work. Those elected were Dan Ochs of Newton, Ill. and Gladys Hoffman of Ste. Marie, Ill. By a rather close vote it was decided to hold the next meeting at the same place.

The 1942 meeting was held at Stringtown on August 23. There were 110 present. After the usual basket dinner the business meeting followed. Short talks by Fr. Spors and Dr. Schneider were given, followed by election of officers. Those elected were Charles Ochs of Newton, president, and Gladys Hoffman of Ste. Marie, secretary. Then followed an amateur program and a fine display of talent was noted.

The 1943 meeting was held at St. Joseph's Hall. The attendance was hampered by the war and gas rationing, there being but 70 people present. After dinner the meeting was held and consisted of talks by Fr. Spors and Joseph Ochs, election of officers and a musical program. Those elected were Charles Ochs, president, and Julia Ochs, secretary.

The 1944 meeting was held at St. Joseph's Hall at Stringtown. Besides the basket dinner it was decided to supply a large jar of iced tea, which proved to be a valuable asset to the meal. At the business meeting the following was decided: (a) To take up a collection for ice and tea for serving; (b) To meet at Ste. Marie next year if possible; (c) Officers elected were Henry Ochs, president and Boniface Ochs, secretary. Following this, music was provided by Mrs. Ben Ochs and Dan Ochs.

The 1945 meeting was held at Ste. Marie, Ill. on August 19. The usual pro-

cedure followed. The Ochs Family was well received in St. Mary's church hall and was invited to come back next year by the Rev. Fr. Stengel. The same officers were retained.

The 1946 meeting was again held at Ste. Marie at the same place. This time our honored guests at dinner were the Rev. Frs. Stengel and Duehrens and their housekeepers. At the business meeting talks were given by the Rev. Fathers and Dr. Schneider. A new idea was adopted. That was to take up a collection for all the living and deceased members of the Ochs Family to be used for masses. This collection amounted to \$24.00 and was given to Fr. Duehrens to be used for said purpose. The same officers were re-elected. This time it was decided to meet next year at Stringtown.

The 1947 meeting was held on September 14 at Stringtown. A moderate attendance was had and the usual procedures were followed. Short talks by Fr. Duehrens, Joseph Ochs and Dr. Schneider were made. Two collections were taken up; one for expenses and the other was the Mass collection which amounted to \$22.00. The same officers were re-elected.

The 1948 meeting was again held at Stringtown and proceeded in the usual uneventful fashion. Attendance was still on the low side, consisting mainly of local residents. New officers elected were Dan Ochs of Ste. Marie, president, and Henry Schneider, secretary. Mass collection amounted to \$22.00. It was decided to meet at the same place next year.

The 1949 meeting was again held on September 25 at Stringtown, Ill. under similar circumstances, there being but 70 members present. At the business meeting there was considerable discussion and taking stock as to why interest and attendance was dwindling or if it be feasible to continue the annual meetings. After much talk and reflection it was decided that the date was too late in the year and that there was too much uncertainty of the dates owing to church picnics, etc. Finally it was decided to try once more at an earlier date with less conflict of other engagements and a little more advertisement. It was also suggested that there be a revision of our old Family Tree book. The officers elected were Dr. Schneider of Donovan, Ill., and Henry Ochs of Dundas, Ill., president and secretary respectively. It was also voted to try to get St. Thomas Church Hall at Newton, Ill. The Mass collection was \$22.00.

The 1950 meeting was held in St. Thomas Church Hall at Newton, Ill. on July 16, 1950. This time the attendance jumped up to 140 members present. Besides there were several communications read from distant members who were unable to be present. (The form letter sent by Dr. Schneider is on a following page.) At the business meeting, Dr. Schneider presided and read the communications. Fr. Duehren gave a talk on the value of the Holy Mass. The oldest person present was Miss Mary Ochs, age 77, and the youngest was four-months-old Gerald Ochs, son of Bernard Ochs. The musical and entertainment part of the program was under the able direction of Mrs. Louis (Bernadette) Reis. The new book was again discussed. The same officers were re-elected. It was decided to try to meet at the same place next year. The Mass collection again amounted to \$22.00, which was given to Fr. Gavin and Fr. Duehren to be said for the same purpose.

The 1951 meeting was again held at Newton on June 17. This time there was seated at dinner an excess of 200 persons and many came afterward. The usual program and business meeting was held. Besides the usual procedures, Dr. Schneider gave a demonstration of the laxity in reporting their births, marriages and deaths. As a special feature the Robert Kocher triplets were present. (They are the first in the Ochs Family.) The oldest person present was Mary Ochs, 78, and the youngest, Catherine Roth, daughter of Virgil Roth. The Mass collection amounted to \$32.00. Election of officers resulted in Dr. Schneider re-elected president and Eugene Reis was elected secretary. It was hoped to meet again in Newton, Ill. next year.

Joseph Ochs Family

(8th Child of Daniel J. Ochs and Catherine Kelpfer)
(Page 7 - Original book)

I was born May 14, 1883, in Jasper County, Illinois, the 8th child of Daniel and Catherine Ochs. I grew and waxed strong on the home place and at the age of nine years our father died on December 12, 1892. Mother and us children stayed at the home place until one after the other the children got married and left home to establish homes of their own, all settling close areound the home place. Mother lived to see all her children married, then on January 11, 1926, she passed on to her eternal reward, thirty-four years and one month after dad.

As I grew to manhood and came to Ste. Marie township. I met and wooed Mary Margaret Rennier, who became my wife on June 20, 1906. We lived on a farm four miles south of her home where we lived until October 10, 1950, when she passed on to her eternal reward.

We were the parents of 10 children. One died in infancy, and nine grew to man and womanhood. We had the pleasure of seeing them married and settled down, four near home, four around Chicago, and one in Harrisburg, Illinois. (Written by Joseph Ochs)
